

March 27, 2017

TO: Subscribers to UL's Standards Service for Cable Management Systems - Cable Ties for Electrical Installations, UL62275

Subject: 62275

Summary of Topics:

This bulletin announces the option of including a statement to existing Recognitions and Listing for products that have been evaluated in accordance with the requirements in IEC 62275 and EN 62275. This option will only apply to products classified as Type 1 or Type 2 and that have been evaluated in accordance with the applicable requirements outlined in IEC 62275 and EN 62275.

The optional statements may read as follows:

Listed Products (Type 2): "Also Classified to IEC 62275 and EN 62275", or "Also Classified to IEC 62275" or "Also Classified to EN 62275".

Recognized Products (Type 1): "Also Certified to IEC 62275 and EN 62275" or "Also Certified to IEC 62275" or "Also Certified to EN 62275".

Requests to add this option may be made to PMSales@ul.com.
